

Axis III Inside Lift AL435

The Ultimate Inside Lift Solution

Fully-powered to hoist and transport a power chair or scooter inside a cargo area. Triple axis lift provides fully-powered lifting, boom extension and rotation for the easiest, most effortless loading.

Features & Benefits

- 10.8 full inches of power extension to reach beyond rear bumper
- Powered lifting, extension and rotation
- New, simplified base fits in a smaller footprint
- Easier to install and disassemble
- Faster mounting with fewer holes, less drilling when necessary
- Passenger or driver side install
- Wireless remote optional
